La presente colección bibliográfica digital está sujeta a la legislación española sobre propiedad intelectual.

De acuerdo con lo establecido en la legislación vigente su utilización será exclusivamente con fines de estudio e investigación científica; en consecuencia, no podrán ser objeto de utilización colectiva ni lucrativa ni ser depositadas en centros públicos que las destinen a otros fines.

En las citas o referencias a los fondos incluidos en la investigación deberá mencionarse que los mismos proceden de la Biblioteca del Patronato de la Alhambra y Generalife y, además, hacer mención expresa del enlace permanente en Internet.

El investigador que utilice los citados fondos está obligado a hacer donación de un ejemplar a la Biblioteca del Patronato de la Alhambra y Generalife del estudio o trabajo de investigación realizado.

This bibliographic digital collection is subject to Spanish intellectual property Law. In accordance with current legislation, its use is solely for purposes of study and scientific research. Collective use, profit, and deposit of the materials in public centers intended for non-academic or study purposes is expressly prohibited.

Excerpts and references should be cited as being from the Library of the Patronato of the Alhambra and Generalife, and a stable URL should be included in the citation.

We kindly request that a copy of any publications resulting from said research be donated to the Library of the Patronato of the Alhambra and Generalife for the use of future students and researchers.

Alhambra
22 mai 1931

Alhambra ! Palais profané de Princes
virils et de Vierges captives disparues dont
le Souvenir hante encore les salles, les
cours, les jardins et les Tours,

Marbres patinés par les ans, à la
couleur originellement blanche devenue
ivaine comme chair, galbes filés des arcs,
gracieuses colonnes, crépues listes des lions
stylisés, riches plafonds de bois de cèdre
et humbles toits de tuiles roses.

Arabes mes mystérieuses de l'instinct
lesançun creusant les plates polychromes
d'un relief de broderie, dalles au vaillle
la flamme irisée d'un jet d'eau, vasques
au murmure éprise, zelliges chatoyants,
carpettes, mosaïques

Alhambra ! Plus triste me le Refret.

Alhambra ! Sans et amer au cœur
fidèle comme, un souvenir hument
grand se désespère l'assombrit...
